

### Summer Solstice Picnic

You are invited to a Summer Sun Celebration! The CFI-DC Branch and Office of Public Policy are hosting a summer picnic to kick off the summer with like-minded folks.

The party will be at the home of Bruce and Susan Holmquist in Boyds, MD. Walk in the gardens, play horseshoes or croquet, or swim and fish in their private stretch of stream bordering Little Seneca Stream Valley Park. There's something for everyone at this beautiful 5-acre property!

Plus--We'll be showing photos from CFI's May trip to the *Galapagos Islands with Richard Dawkins* and giving a preview of next year's *Amazon River Cruise!*

This year, CFI-DC is supporting the newly formed **CFI Youth Group of Nepal**. The group promotes science and reason, particularly aimed at the children and women of Nepal. They need books and any other materials related to humanism, atheism, science, reasons, human rights, or philosophy to help establish a library. If you have materials to donate, please bring them to the picnic or simply donate a few dollars to help pay postage. Suggested \$5 donation.

Hamburgers, hot dogs, veggie burgers, and drinks will be provided. Please bring a side dish, dessert or another main dish to share.

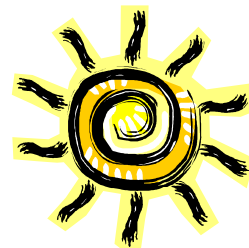

Date: Sunday, June 24<sup>th</sup>

Time: 1-4 p.m.

Place: Home of Bruce and Susan Holmquist  
17501 White Ground Road  
Boyds, MD 20841
